| Selected Backlog Entries for Sprint 1 | | |
|---|---|---|
| **Prioritized ID** | **Backlog Entry** | **Priority Level** |
| 3 | As a user, I want to be able to register an account with the application to keep track of my matches and personal profile. | Mandatory |
| 4 | As a user, I want to be able to log in to the system with my username and password so I can access my account and view my matches. | Mandatory |
| 5 | As a user, I want to be able to safely log out because I don't want someone to use my account when I'm gone and pretend to be me. | Mandatory |

## User stories for the selected backlog entries

| STORY 3 | |
|---|---|
| **Title** | Account Registration |
| **Story** | As a user, I want to be able to register an account with the application to store my personal information and get study buddy matches. |
| **Normal Scenario** | 1. User chooses a valid username and password<br>2. User enters a valid McGill e-mail address<br>3. User fills out his or her course schedule<br>4. User uploads a profile picture<br>5. User completes his or her personal profile by filling in relevant information about him or her: hobbies, interests, availabilities, etc.<br>6. User completes account registration |
| **Alternate Scenario** | 1. User chooses a valid username and password<br>2. User enters a valid McGill e-mail address<br>3. User fills out his or her course schedule<br>4. User uploads a profile picture<br>5. User skips the person information section and decides not to reveal his or her interests or hobbies<br>6. User completes account registration |

| Error Scenario | 1. User chooses a username and password<br>2. User enters a valid Non-McGill e-mail address<br>3. System returns error prompting user to enter a valid McGill e-mail address in order to proceed with the user registration<br>4. User does not successfully complete account registration |
| --- | --- |

| STORY 4 |
| --- |
